**SUPERVISOR OF ELECTIONS
MARY JANE ARRINGTON**

Dear Community Leader:

I would like to personally invite you to consider joining the Supervisor of Elections Office by participating in the Osceola County Adopt-A-Precinct program. This program allows community organizations and businesses to partner with our office for the purpose of supporting the election process. It creates a partnership that encourages civic participation and supports successful elections. And, most importantly, the public is served by having qualified election workers at the polling place.

Another benefit of this program is that our Adopt-A-Precinct participating groups are compensated for their time. A check is written to the group instead of being written to individuals. These funds can then be used towards worthy causes in which the organization is involved or supports.

I would like to encourage you to take a moment and review the information about this program and the opportunity to serve our community. Then call our Election Worker Coordinator at 407-742-6105 for more details. We look forward to working together to make the voting experience the best it can be for Osceola County voters.

Won't you please consider joining us!

WHAT IS THE ADOPT-A-PRECINCT PROGRAM?

The Adopt-A-Precinct program is a partnership in which a participating organization adopts a specific precinct the day of the election. Your organization recruits volunteers to be Election Workers on Election Day. We train your volunteers and your group is assigned to a polling place. After the election, your organization will receive a check that reflects the pay for the positions your volunteers worked.

ELECTION WORKERS MUST:

1. Be a registered voter in the State of Florida
 2. Read, write and communicate in English
 3. Be able to work a minimum of a 14-hour work day
 4. Be non-partisan on Election Day
- Florida law requires all Election Workers to attend mandatory training, both online and in-person training. The amount of required training varies and is based on the position which you are serving. Morning, evening and weekend classes provide multiple training options.

HOW MUCH CAN YOU EARN?

OVER \$60,000 WAS DONATED TO THE COMMUNITY THROUGH ORGANIZATIONS PARTICIPATING IN THE ADOPT-A-PRECINCT PROGRAM IN THE 2020 ELECTION CYCLE.

- **KISSIMMEE WEST ROTARY EARNED \$3,575 WORKING ALL 3 ELECTIONS IN 2020.**
- **PEO SISTERHOOD GO EARNED \$4,800 WORKING ALL 3 ELECTIONS IN 2020.**
- **MASONS ORANGE BLOSSOM LODGE #80 EARNED \$8,375 WORKING ALL 3 ELECTIONS, ADOPTING 2 PRECINCTS IN 2020.**

HOW MANY WORKERS ARE NEEDED?

The number of workers needed are determined by the size of the polling location. Usually seven to ten workers are needed per location. Spanish bilingual workers are required at every location. Our office can supply these workers if you can't meet the requirements. However, your group will not receive pay for workers we have to place.

HOW TO GET INVOLVED:

1. Complete the Adopt a Precinct Interest Form. It's available on our website: www.voteosceola.gov
2. You will receive paperwork to complete and return regarding your organization.
3. Once your organization has been approved, you will be assigned a polling location.
4. Recruit volunteers! The Elections Office will provide you with the number of workers you will need a minimum of usually 7-10 volunteers, including bilingual workers.
5. Your workers will be invited to attend an hour orientation class where they will be briefed on important election rules and laws along with completing paperwork.
6. Volunteers become Active Election Workers. The Elections Office is responsible for training and class scheduling.
